Parish Service Hours

Service is an important part of Confirmation preparation. Candidates are responsible for seeking out at least 8 hours worth of service opportunities at St. Thomas More Parish, recording them on this form, and submitting it by Jan. 29th. If the final Confirmation date falls in April, the deadline will be extended and the service hours requirement will be 12 hours.

Parish service hours are specific to St. Thomas More Parish, though participating in off-campus events through STMP groups still counts. Examples of eligible activities would be: attending the March for Life with STMP; serving in Mass ministries; having volunteered with Vacation Bible School in summer 2016; participating in other parish ministries, including attending their meetings or trainings (for a list, see http://www.stmp.org/parish-life/ministries); answering special service requests, etc. Parish Service Hours cannot be fulfilled by service in non-STMP related activities, or such things as helping carry chairs at Youth Group. If you have a question about whether a specific service opportunity fulfills this requirement, please contact the Youth Minister (rebeccah@stmp.org).
