

Unethical Behavior Hotline

The Archdiocese of Seattle has established a confidential telephone hotline and website for parish staff and parishioners to anonymously raise concerns about suspected unethical behavior by church personnel. You can find more information about this hotline on posters around campus, on brochures in the Narthex or by going to seattlearchdiocese.ethicspoint.com. This program is run under contract by an independent third party with a long record of providing these services both in the secular world and for other dioceses.
